EEI, HYDERABAD TRAINING CALENDAR

2026-27

Overview

The Extension Education Institute (EEI), Hyderabad, under the Directorate of Extension, Department of Agriculture & Farmers Welfare, Government of India, and administratively under PJTAU, is a premier regional training institute serving the Southern States and Union Territories.

The Training Calendar 2026-27 comprises need-based capacity-building programmes for extension personnel in agriculture and allied sectors. The programmes focus on emerging themes such as sustainable agriculture, digital extension, climate resilience, Farmer Producer Organizations (FPOs), agripreneurship, leadership, communication, and innovative extension methodologies. Through on-campus, off-campus, collaborative programmes, webinars, and workshops, EEI aims to enhance the knowledge, skills, and competencies of extension professionals for effective technology transfer and sustainable agricultural development.
